Dear Ms. Prieto,

Here is a copy of our response to the outstanding action mailed June 5, 2001 in Case S/N 09/718,595. We filed this response by Express Mail on October 5, 2001. We would like to schedule a telephone conference with you and your primary, which will include myself and the inventor, Mr. Dan Kikinis. We wish to discuss the new claim language and the merits of particularly the independent claims with respect to the art presently in the case. We have recently also filed an extensive IDS citing a number of references not previously considered in the case. I will call you about November 5 to arrange a time for the conference.

Best,

Donald R. Boys
